

Frontier Airlines DFW Terminal

Frontier Airlines operates out of Terminal D at Dallas/Fort Worth International Airport (DFW). As DFW is a large and busy airport, it's recommended to plan ahead and arrive early for your flight. Terminal D offers various amenities and services to ensure a comfortable experience before your Frontier Airlines departure. Stay informed and prepared when flying from the [Frontier Airlines DFW terminal](#).

Terminal Overview

Spacious

Terminal D is spacious and modern. It has high ceilings, large windows, and ample seating areas. The terminal is well-lit and easy to navigate, with clear signage throughout.

Convenient

Terminal D is conveniently located near the airport's central hub, with easy access to public transportation, parking, and other services. DFW is also known for its numerous dining and shopping options.

Gate Locations

Frontier Airlines gates are located in the south concourse of Terminal D. There are over 20 gates dedicated to Frontier Airlines, ensuring that travelers have ample space for boarding and disembarking.

Check-In and Baggage

1

Self-Service Kiosks

Frontier Airlines offers self-service kiosks for checking in and printing boarding passes. Travelers can skip the lines and check in quickly and easily.

2

Baggage Drop-Off

Baggage drop-off counters are conveniently located near the check-in area. If you have checked bags, you can drop them off quickly and easily.

3

Oversized Baggage

If you have oversized or heavy baggage, Frontier Airlines has a dedicated counter for handling such items. Be prepared for additional fees for oversized bags.

4

Baggage Claim

The baggage claim area is located on the lower level of Terminal D. It is well-organized and efficient, making it easy to retrieve your luggage after arriving at your destination.

Security Screening

1

Security Lines

TSA security lines can be long at DFW. Arrive early and allow ample time to pass through security.

2

TSA PreCheck

If you are TSA PreCheck enrolled, you can enjoy expedited screening. This means you can keep your shoes on, leave your liquids in your bag, and use a dedicated lane for faster processing.

3

Security Procedures

Follow TSA guidelines. Be prepared to remove electronics, jackets, and belts. Liquids must be in 3.4 ounce containers and placed in a clear bag. Be aware of prohibited items such as knives and weapons.

Dining and Shopping

Food Court

There is a large food court in Terminal D with a variety of options, including fast food, casual dining, and sit-down restaurants. You'll find both national and local chain restaurants.

Shopping

The terminal also has several shops selling souvenirs, electronics, books, and other items. You'll find everything you need to make your travel experience more comfortable.

Duty-Free

If you are flying internationally, there is a duty-free shop located in the terminal. You can find a variety of perfumes, cosmetics, and other items at duty-free prices.

Gate Locations and Boarding
